Words define the Message

And to All that Don’t like my Posts

It’s never going to be GONE until

We the People Act and Get In To The Game

Study and Review my Posts With others see If there is any Truths to them

Or we will still be on this Trip To hell!!!!!!!!!!!!!!!!

You are the ones that have to review and repeat my Posts

Have fresh people that know how to spell and put punctuation

Re wright what I am trying to say make it more pleasant to your eyes

Sorry it’s the way My Father has Created Me

(For I am not Sorry for He has blessed Me Greatly for Trusting Me with This Job
